Subject:	Re: from ned

Hi Ned
Uri Zakai joined few weeks ahead of me. He came from the Southern Command Military governance branch(Mimshal Zeva'ee) which controlled the Bedouins in the Negev at the time. So he already talked a little bit Arabic. We were together almost first Ashkenazim)in the same Sayeret squad under Benny Cohen for about 9 months until I've joined Amsalem new squad to start the new operational ideas.
Best
EB
